

9.30 - 10.00	Opening: Niek de Boer - VHL Research Director Valentina Sechi & Harry Mach - Project Leaders		
10.00 - 10.30	Key Note Speaker: Hans Joosten		
	Session I Ecosystem Restoration - Protecting Today's Environment (Challenges & Wins)		
	Lakes	Fens	Bogs
10.30 - 10.45	Spatial variation in the aquatic ecosystem of De Leijen - Jasper/Joop/Tsjippie	Restoration and rewetting activities Flemish pilot sites - Edgard Daemen (VLM)	De Nol Restoration (Frederik Naedts)
10.45 - 11.00	Zuidlaardermeer Works - Emiel Galetzka	Dutch restoration efforts and experience - (RU)	Sphagnum Inoculation of UK Upland Peatlands - Kate Cartmell-Done (NP)
11.00 - 11.15	Hickling Broad Restoration - Dan Hoar	Lowland pilot sites - Gert-Jan van Duinen (RU)	Lille Vildmose Restoration - Peter Hahn
11.15 - 11.30		Care-Peat	Care-Peat
11.30 - 12.00	Discussion	Discussion	Discussion
12.00 - 13.00	Lunch: Poster Gallery		
13.00 - 13.20	Plenary: Conclusions from the first session		
13.20 - 13.50	Key Note Speaker: Dr. Mark McCorry - Bord na Mona		
	Session II (a) Utilising Rewetting Peatlands		
	Fen Farming	GHGs in Rewetted Peatlands	Sphagnum Farming
13.50 - 14.20	Typha and Sphagnum growing in Better Wetter - Ivan Mettrop	Carbon: a key to maintain livestock in peatlands - Veronique Chauvin, Catherine Bausson (AC3A)	Barver Moor - Jens-Uwe Holthuis
14.20 - 14.50	Horseley wetland - Andrea Kelly	Monitoring activities on Flemish pilot sites - Peter Maenhout (ILVO)	Lowland sphagnum farming - Christian Fritz (RU)
14.50 - 15.00	Coffee Break		
	Session II (b) Utilising Restored Peatlands		
	Fen Farming	Biomass Valorisation	Sphagnum Farming
15.00 - 15.15	Store Vliedmose - Peter Hahn	Biomass valorisation of rewetted land - Maarten De Boever (ILVO)	Upland Peatland Restoration Challenges - Paul Leadbitter (DCC)
15.15 - 15.30		Alternatives for potting soil based on (fossil) peat - Gert-Jan van Duinen (RU)	Irish Peatland Conservation Council (IPCC) for Spagnum Restoration Transfer Technique
15.30 - 15.45	Discussion		
15.45 - 16.00	Coffee Break		
16.00 - 16.20	Conclusions from each session: Presentation of the "ideal" landscape based on today's discussions		
	Session III Quantifying Ecosystem Services in Peatlands		
16.20 - 16.35	Site Emission Tool - Jasper van Belle (VHL)		
16.50 - 17.05	Care Peat - French Geological Survey - Laurent André (BRGM)		
17.05 - 17.20	Irish Pilot Site and Water Retention HYDRUS 1-D Modelling		
17.20 - 17.30	Closing Remarks

9.30 -10.00	Key Note Speaker: Douwe Hoogland Frisian - Perspective on Rewetting Peatlands and Meadows		
	Session IV Business Models - Creating Business Opportunities		
	Marketing Products	Payments for Ecosystem Services	Building Public Support
10.00 - 10.15	Products from Peatlands - Gert-Jan van Duinen (RU)	Ecosystem services business model on Irish peatlands - Patrick Crushell	Suitable Business Models - Nina Roehrig (UMR)
10.15 - 10.30	Charcoal from Waste wood - Andrea Kelly	Presentation of Pocket Guide	Valthermond Peatland Vision - Wilfried Heijnen
10.30 - 10.50	Coffee Break		
10.50 - 11.05	Upland Peatland Business Models - Peter Nailon (WRT)	Restoration and Monitoring of a UK Coastal Fen - Rob Collins (RT)	What shapes a person's attitude to peatland rewetting - Bert v.d. Wiel (VHL)
11.05 - 11.20	Value chain of Typha for insulation - Peter v.d. Maas (VHL)	C-credit scheme in peatland - Valentina Sechi (VHL) & Niall Ó Brolcháin (NUI Galway)	Towards sustainable agriculture peatland management: a policy analysis of the Frisian Veenweidegebied - David Goldsborough (VHL)
11.20 - 11.45	Discussion	Discussion	Discussion
12.00 - 13.00	Lunch: Poster Gallery		
13.00 - 13.20	Plenary: Conclusions from the session		
	Session V Policy for a Better Future		
13.20 - 13.35	Design for a Transformation Process in the Context of Climate Policy - Dr. Laura Herzog		
13.35 - 13.50	EU Policy on Carbon Farming - Niall O Brolcháin (NUIG)		
13.50 - 14.05	Peatlands Across Europe: Policy Recommendations - Cisca Devereux (BaxCo)		
14.05 - 14.30	Plenary Discussion: Future of Carbon Farming - Jasper Van Belle (VHL)		
14.30 - 15.00	Coffee Break		
	Session VI What's Next? Future Project Development		
15.00 - 15.30	Workshop and Matchmaking: Ideas for Future Collaborations - Cisca Devereux (BaxCo)		
15.30 - 16.00	EU Interreg Policy - Dr. Marta Jacuniak-Suda		
16.00 - 16.30	Closing Plenary: Summary of the day's presentations, looking forward & Conference Statement on Future Peatland Policy
